Dear TC Community Members & Milan Community Members:

Triton Central High School will host the 9th **Annual “Pink Out” Game on Friday, January 20, 2017 vs Milan Lady Indians**. The **“Pink Out”** game supports the I.W.I.N. Foundation (**Indiana Women in Need**). Come out to ***Join the Fight against Breast Cancer***.

2016 **“Pink Out”** game was amazing! The gym was filled with people in pink, excitement, smiles, enthusiasm, tears, goose bumps, and a lot of caring giving individuals! It was the largest **“Pink Out”** game to date. A donation in the amount of \$18,300.00 was made to I.W.I.N Foundation. Let’s top this in 2017!!

I.W.I.N Foundation’s Mission - Giving **Indiana** women the strength to endure breast cancer treatment by providing individualized services and support. Last year the funds that were raised for the TC **“Pink Out”** game were able to assist 34 women! Their Vision is – to be an innovative nonprofit organization, built on passion, dedication and integrity, where communities feel called to support our mission; to grow and be recognized as the “neighbor next door” to all Indiana women enduring breast cancer.

Anne Marie Tiernon from Eyewitness News Channel 13 and an active Board Member of the I.W.I.N Foundation will be our Special Guest for the evening. Breast Cancer survivors will be honored and there will be many opportunities to financially support the foundation. These funds will assist women that have been diagnosed with breast cancer either with utility bills, groceries, prescriptions, wigs or whatever the need may be. This event has raised over \$90,000 the last 8 years.
