---

The Future Tiger Athletics era is off to a great start with football up and running.....90 players on 6 teams and 66 cheerleaders supporting them. I want to give a BIG thanks to everyone involved and wish all the teams "Good Luck" for the remainder of the season. If you get a chance, please visit the new FTA Complex out behind the soccer field. On game days, lots of lawn chairs and pop-up tents with the smell of the delicious concessions in the back ground makes it feel like a big tailgating party-Go Tigers!!!

FTA also helped get the Triton Central Travel Baseball and Softball seasons off to a wonderful start as well as multiple age groups had try-outs already for the Spring season. If you need any information on these activities or missed a date, please contact me at [bgraham@nwshelbyschools.org](mailto:bgraham@nwshelbyschools.org) and I will direct you to the person in charge of the age bracket needed. FTA will host a in-house T-Ball league for both boys and girls and that information will come out over the winter.

Finally, FTA Basketball information will be coming out very soon. We are starting in November and think it is going to be a season full of fundamental learning and exciting game action. However, lets remember that all sports can only be successful if we teach character counts skills and stress that participants are students first and athletes second. Thanks once again and please come out and support your Future Tigers!

*Coach Graham*
